bpt

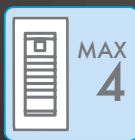

# Lynea Basic, the new version o

••••• The new Lynea basic available for the X1 2-wire system and the 200 multi-wire system features a 4" black and white monitor and compactness of the wall-mounted bracket with the monitor. The addition of the YKT/F accessory also allows tabletop installation. Thanks to its ease of installation, Lynea Basic is the optimal solution for residential solutions with one monitor per flat.
