

MARCH 2007

Nr. 1 - 2007

VIDEO ENTRY CONTROL OPHERA RECESSED HANDS-FREE COLOUR MONITOR

MONITOR AND COVERS NEW COLOURS

KIND OF INFORMATION

Information on new products.

DESCRIPTION

The video entry control Ophera recessed hands-free colour monitor is available in the new silver version, with a metallic grey monitor, matchable with three interchangeable ice-white, fusion-black or silver covers, already included in the package.

The new silver version integrates the one already in use, with the white monitor and three interchangeable orange, artic-blue and white covers.

REASONS

To meet the demands of the market.

CODES INVOLVED

6211-7000 – OPHERA SV: Colour hands-free monitor 3,5"

6211-7100 – OPHERA/B SV: Colour hands-free monitor 3,5" BUILDING version

AVAILABILITY

Available from mid-April 2007.

MARKETING DOCUMENTATION AVAILABLE

OPHERA depliant (code: 2455-0363)

NOTES

The packaging is almost the same of the version with the white monitor; the only differences are the barcode and the description. In order to make the recognition easier, a silver label is applied on the package.
